# MINI HIGHLIGHTS.

### Active guard:

- Front collision warning with brake intervention.
- Left-turn warning (vehicle) with brake function.
- Speed limit Info including prediction and no-overtaking indicator as well as manual speed limit assist.
- Evasion assistant.

### MINI interaction unit:

Round central unit with an area of 440 cm2 with OLED technology.

MINI head-up display: Display of entertainment information, warning information & driving speed.

**2-Zone automatic air conditioning:** Includes separate temperature control for driver and front passenger.

**Parking assistant:** Visual parking aid featuring rear view camera, makes parallel and perpendicular parking on the road easier. The system completely takes over the steering, the accelerator, and the transmission.

**Harman Kardon surround sound system:** With a powerful 365W digital amplifier and 12 loudspeakers for truly outstanding sound quality (10 loudspeakers, 315W for SE Model).

**Comfort access:** Allows keyless entry to the vehicle doors and tailgate.

# MINI HIGHLIGHTS.

**Adaptive suspension (only with JCW Trim):**  
Frequency-selective damping elements: mechanical, self-regulating system with regulation depending on road condition and driving style for optimum balance between comfort and sport tuning.

**Wireless charging:** Telephony with wireless charging offers a comprehensive telephony package with Bluetooth connectivity.

**Sun protection glazing.**

**Tyre pressure indicator.**

**Active seat for driver.**

**Panorama glass roof.**

**Steering wheel heating.**
